

Summer Camps 2018

Camp Y-Koda
Outdoor Skills & Education
Sheboygan County YMCA

maywood

July 9-13, 2018

Eco-buds "Safari" Camp, ages 5-6

Welcome to the Jungle Camp, ages 7-9

Campers will get stuck in an exotic forest and will need to play a game in order to escape. The game has many twists and turns. They might have to cross a raging river, build a shelter, escape a swarm of mosquitoes, or build a life-saving fire. Campers can choose their own adventures and challenges, but their fate will also be determined with a roll of the dice. Crazy adventure awaits, and hopefully they can return to the real world!

Off the Grid Camp, ages 10-14

Get lost in the outdoors this week. Campers will learn about and practice wilderness skills, outdoor cooking, shelter building, and backpacking. They will head to the wilderness to test their skills with a trek and paddle down a winding river in the Kettle Moraine Forest. We will end the week with a camp out on Maywood's Meyer property.

July 16-20, 2018

Eco-Buds "Around the Pond" Camp, ages 5-6

Midsummer Mania Camp, ages 7-9

Summer's not over yet, so let's make the most of the long days and beautiful weather. Join us for a week of wild nature play. These campers don't mind getting dirty and playing outside all day long. There's plenty of summer fun this week with shelter building, river play, mud kitchens, tree climbing, bug hunts, and more!

Capture the Flag "Untamed" Camp, ages 10-14

The ever-popular camp game of Capture the Flag has inspired this camp. At Maywood, we take Capture the Flag to the extreme! Campers will form teams and spend the week defending their flag while faced with wild challenges and obstacles. The games will be played in untamed territories both on land and water and even at night!

July 23-27, 2018

Eco-Buds "Camp Out" Camp, ages 5-6

Mini Quarry Quest Camp, ages 7-9

Campers LOVE our trips to Sheboygan Quarry Park for swimming and playing. This camp lets our younger campers enjoy it every day! They will splish and splash at the aqua park, build sand castles, and play in the sand and top it off with a picnic lunch on the beach.

Ultimate Explorers Camp, ages 10-14

This camp features adventurous activities all week long. Campers will explore lands, waters, and even underground! The expeditions include paddling, tubing, archery, rock wall climbing, and hiking. The highlight of the week is a caving tour at Ledgeview Nature Center.

July 30-August 3, 2018

Eco-Buds "Forest Friends" Camp, ages 5-6

Tinker Lab Camp, ages 7-9

This camp is for the imaginative thinker that likes to build, invent, experiment, and tinker! Campers will work together on daily projects and design their own creations. They will be given supplies and find ways to repurpose everyday items.

Archeology Camp, ages 10-14

Take a step back through time to learn about fossils and ancient remains. Campers will discover prehistoric eras, learn about Native American cultures, and search Maywood for buried treasures. We will finish our journey with a trip to the Henschel Museum to uncover the past and visit a local dig site.

August 6-10, 2018

Eco-Buds "Under the Sea" Camp, ages 5-6

Wilderness Retreat Camp, ages 7-9

It's time to unwind in nature. Campers will find their own personal retreat in the outdoors. Relaxing hammock time, outdoor yoga and meditation, and daily nature journaling are all on the agenda. Campers will also join in other mindful activities like team building and calming nature hikes. This week is all about being healthy and happy in the wilderness.

Ripples and Waves Camp, ages 10-14

Beat the heat this summer with a week of water fun. Go tubing, romp in the river, play water games, and paddle the Pigeon River. We'll celebrate summer with a beach party on the shores of Lake Michigan.

August 13-17, 2018

Eco-Buds "Splish Splash" Camp, ages 5-6

Super Heroes Camp, ages 7-9

Join us as we enter the superhero universe for an action-packed week. Campers will create their own powers and alter-egos, test their super strengths, and try to defeat the super villains. Dress up as your favorite superhero for the sleepover, ending with a superhero movie night.

Quarry Quest Camp, ages 10-14

Our campers had so much fun swimming and playing at the Sheboygan Quarry Park that we have designed a camp that will take us there every day! Most of the time will be spent swimming and playing on the aqua park's inflatables. We will also explore other activities around the park such as kayaking, paddle boarding, fishing, and disc golf, not to mention a picnic lunch on the beach!

For a brochure, pricing, and registration information, please visit
<http://sheboygancountymca.org/summer-camp/>

Camp brochures also available at Maywood, Camp Y-koda, and Sheboygan County YMCAs.

Camps list on this flyer are held at Maywood, 3615 Mueller Road, Sheboygan.

EcoBuds are half day camps that run Monday-Thursday.

All other camps are full day camps running Monday-Friday.
